

## TM-257 / TM-257S

## アジャスターフット

Level Adjuster

## 特長

幅広いニーズにお応えするため、材質をステンレス製、鉄製の2種類用意いたしました。

フット部に六角ナットを圧入しておりますので取付が容易です。

## 用途

OA 機器・自動販売機・工作機械・その他

## Characteristic

Two types, stainless steel made and steel made, are available. The hexagon nut is pressed on the backside of the foot to make an installation easy.

## Application

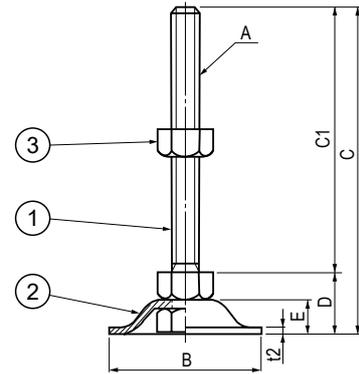

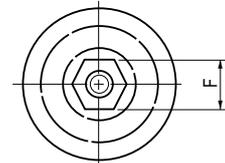

Office automation appliances / Vending machines / Machine tools / Others

## ■部品表 Parts List

| 部番<br>No. | 部品名<br>Part Name            | TM-257         |   | TM-257S        |              | 数<br>Quantity |
|-----------|-----------------------------|----------------|---|----------------|--------------|---------------|
|           |                             | 材質<br>Material | 処理<br>Finish                                | 材質<br>Material | 処理<br>Finish |               |
| 1         | アジャストボルト<br>Adjustment Bolt | S              | 3 価クロメート<br>Trivalent Chromate<br>Treatment | SUSXM7         | -            | 1             |
| 2         | フット Foot                    | SPCC           |   | SUS304         |              | 1             |
| 3         | ナット Nut                     | S              |   |                |              | 2             |

※部番 1 のアジャストボルトは、TM-257S-6、7、9 の場合は SUS304J3 です。

The material of part No.1 adjust bolt for TM-257S-6, 7, 9 is SUS304 J3.

## 寸法・仕様表 Size List &amp; Specification TM-257

| 型番<br>Model No. | A          | B   | C     | C1  | D  | E  | F  | 垂直圧縮許容荷重 kN (kgf)<br>Allowable Vertical Compressive Load kN (kgf) | 自重 (g)<br>Net Weight (g) |
|-----------------|------------|-----|-------|-----|----|----|----|---|--------------------------|
